

Park Police Volunteer Association Partnership Program Application

The **Park Police Volunteer Association** is a non-profit 501(c)3 organization. We are all volunteers dedicated to the service of the Park Police and the Prince Georges County community. All PPVA Volunteers have completed the Park Police Volunteer Academy. For the past two years, PPVA has hosted National Youth Service Day in Prince George's County to bring the "Best" out of our youth and we hope to continue this big event in years to come. Our theme for this event has been "Investing in the Youth of Tomorrow", in hopes that you will too.
